Twins surgery team boost to Brexit Britain

THE successful separation of conjoined twins by a UK team will help restore the country's global reputation as divisions over Brexit prevail, one of the surgeons has said.

A team at Great Ormond Street Hospital separated two-year-old sisters Safa and Marwa Ullah, from Charsadda in Pakistan, whose skulls and blood vessels were fused together.

Great Ormond Street previously successfully separated rare craniopagus twins in 2006 and 2011, making the series of operations the largest in the world.

The team is hoping to make a decision on a fourth set of twins from Europe within the next couple of months.

Paediatric neurosurgeon Noor ul Owase Jeelani said the sisters are demonstrating a "quite remarkable recovery" and medics remain optimistic they will go on to lead "fulfilling, independent lives".

Lottery to axe the under-18s

THE age limit for playing National Lottery scratchcards and online instant win games could be raised to 18, the Government has said.

Culture minister Mims Davies said she was launching a consultation on whether the existing age limit of 16 for all Lottery games should be increased for some or all products.

She told the House of Commons that a "split could be the best approach", which would involve raising the age limit for instant win games while draw-based games remain at 16.

London Bridge attackers lawfully killed

A JURY has found the London Bridge terrorists, who killed eight people and injured 48 others, were lawfully shot dead by police.

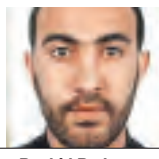

Khuram Butt, 27, Rachid Redouane, 30, and Youssef Zaghba, 22, mowed down pedestrians on the bridge before stabbing random members of the public around Borough Market.

They were armed with ceramic knives and had fake suicide belts strapped around their waists during the marauding attack on June 3 2017.

The rampage was stopped after less than 10 minutes when the

Khuram Shazad Butt

attackers confronted three armed police.

The Old Bailey heard the officers shouted warnings and opened fire as Butt, Redouane and Zaghba came at them.

In the hail of bullets, a man in the nearby Wheatsheaf pub was hit by a stray round but survived.

Fearing Butt and Redouane could still detonate the 'explosive devices' as they lay injured, police officers shot at them again.

Chief coroner Mark Lucraft QC told the jury that was the only "safe" conclusion in the circumstances and praised the actions of the armed officers.

BREXTRA TIME? NO THANKS!

EU delay offer sparks clashes

A SUGGESTION Brexit may be delayed again beyond October 31 sparked heated exchanges in the EU parliament yesterday.

Ursula von der Leyen clashed with Nigel Farage in the European Parliament as she said she would allow another Brexit extension if there were good reasons.

This was greeted with loud boos and cries of 'No!' from Brexit Party MEPs.

The German politician, who has been nominated to be the next president of the European

By DAVID HUGHES
news@sundaysport.co.uk

Commission, said: "We can't talk about Europe without talking about our friends from the UK."

"For the very first time, in 2016 a member state decided to leave the EU."

"This is a serious decision – we regret it but we respect it. "Since then, together with the current government of

the UK, the EU has worked hard to organise the orderly departure of the UK."

The Withdrawal Agreement negotiated with Theresa May's administration by Michel Barnier "provides certainty where Brexit created uncertainty", she said.

"However, I stand ready for a further extension of the withdrawal date should more time be required for a good reason."

Tory leadership frontrunner

Boris Johnson said he will not shift from the October 31 deadline, while rival Jeremy Hunt said he would be flexible if a deal was within reach.

Mr Farage said the European Parliament had been "humbled and humiliated" by the process which led to Ms von der Leyen's nomination by the European Council, adding: "You have just made Brexit a lot more popular in the UK, thank God we are leaving."

TORIES BLASTED IN TRUMP 'RACE' ROW

LABOUR leader Jeremy Corbyn has criticised both Tory leader candidates for failing to label Donald Trump's attacks as racist after the US President told four congresswomen of colour to "go back" to where they came from.

Trump (left) continued his remarks against the four Democrats, ordering them to get out of the US "right now".

The doubling down came after he told them

to return to the "broken and crime infested places from which they came". All but one of the women were born in the US.

Boris Johnson and Jeremy Hunt joined Theresa May in criticising the president's words as "completely unacceptable", but refused to call them out as racist as they have been widely denounced.

They did, however, suggest Mr Corbyn may be anti-Semitic over his

handling of the crisis within his party.

Yesterday Mr Corbyn tweeted: "Telling four Congresswomen of colour to 'go back' is racist."

"But the Tory leadership candidates can't bring themselves to say so."

"We should stand up to Donald Trump, not pander to him for a sweetheart trade deal which would put our NHS at risk."

WOMEN LOVE PORN

OFFICIAL!

Boffins find grumble makes the ladies froth at the slot

IT'S finally official – women DO love porn!

The idea men are more “visual creatures” than women has often been used to explain why blokes appear to be so much keener on pornography.

But a new study RUBBISHES that notion. “We are challenging that idea with this paper,” said Hamid Noori, co-author of the research from the Max Planck Institute for Biological Cybernetics in Germany.

“At least at the level of neural activity, the brains of men and women respond the same way to porn.”

Mr Noori and his colleagues reported how they came to their conclusions by analysing the results of 61 studies involving adults of different biological sex and sexual orientation.

The subjects were shown everyday images of people as well as erotic images while they lay inside a brain scanner.

Noori (right) said all participants rated the sexual images as arousing before being scanned.

Previous studies based on self-reporting suggested men are

By **SUZIE SHELDON**
news@sundaysport.co.uk

more aroused by images than women, but studies have returned different results.

Activity was more widespread in the case of explicit pictures than video, and there were some small differences in the regions activated linked to sex orientation.

The team also analysed more than 30 published studies to explore if there were differences between “biological sexes” – what men and women used to be called.

The majority of studies found no difference in the volume of sexually charged grey matter between the sexes.

CHASING CARS MOST PLAYED

SNOW Patrol's ballad *Chasing Cars* has been crowned the most-played song of the 21st Century.

Frontman Gary Lightbody has previously said the track is “the purest love song” he has ever written.

The anthem failed to reach No.1 the UK Official Singles Chart when the indie-rockers released it in 2006, but featured in countless movies and TV shows, including *Grey's Anatomy*.

Black Eyed Peas' *I Gotta Feeling* and Pharrell's *Happy* are second and third on the list.

Kerry ex dies after 'eating coke at hotel'

ATOMIC Kitten singer Kerry Katona's former husband George Kay has reportedly died after eating 'a quantity of cocaine'.

The former rugby league star's death is now being investigated by police watchdog, the Independent Office for Police Conduct.

George, 39, was said to have been 'acting erratically' the night before he tragically died on July 6, at the Holiday Inn hotel in Runcorn, Cheshire.

Cheshire Police were called out to the hotel on Friday night over a concern for his safety.

Officers attended at 9.54pm, on July 5, and spoke to staff so he could remain at the Holiday Inn overnight.

Those working at the hotel went to check on George at 10am on Saturday morning and found him 'eating a large amount of suspected cocaine'.

George was later taken to Warrington General Hospital for treatment, where he died.

A spokesman said the death is not being treated as suspicious.

Dog walker's 'tiny' taunt to park w*nker

A DOG walker said she tried to humiliate a man who was masturbating in a park bush after he asked her to perform a sex act on him.

The woman, 43, spotted the man pulling his pud at Blake Recreation Ground in West Wickham, south east London, at around 7.30pm on Monday evening.

"After a few laughs at him and a few 'F-offs' I told him I would have more fun sucking an ice lolly as his was clearly tiny," the dog walker said.

She added: "I wanted to make him feel stupid and humiliated as he clearly wanted to make me distressed."

"He only left when I got my phone to dial 999."

The woman, who didn't want to be named, said she "wasn't shaken up" by the shocking incident.

Kate nipples on show

Twitter melts over princess teat ends

KATE Middleton and Meghan Markle showed up in the royal box at Wimbledon on Saturday in an effort to show a united front amid rumours of a royal feud.

While the duo appeared smiling and getting along, commentator Angela Mollard claimed their appearance was a "masterful" PR stroke orchestrated by the Duchess of Cambridge.

But while Royal watchers analysed the pair's body language as they viewed the women's singles final, less high-minded watchers were feasting their eyes on what looked like Kate's pointy NIPS!

By GRACE HOOPER
news@sundaysport.co.uk

Last night, Royal insiders said that "old ugly green dress" - in fact a £2,150 short-sleeved emerald green Dolce and Gabbana dress with gold buttons and a bow detail - a recycled number she first debuted back in 2016 while on a royal visit to Canada - was to blame for the nip slip-up.

A Twitter user, called Meghan is Beyonce's Princess, asked: "Are Kate's nipples showing?"

Another user, Elena Morales, commented: "Where is your bra? She's not wearing one."

Molly stated: "Kate's nipples in show."

One explained: "It was the cut of her dress, not mega-pointy nips. And I was looking closely. Believe you me."

POP star Will Young has revealed that a homeless man once took a SHIT in a bag and left it in his fancy car.

Will (*above*) told how he bought his friend's dad's Porsche 356 by complete chance almost 30 years after he'd admired it as a child.

The *Pop Idol* star said the car was clamped and someone lived in it for a while, adding: "Some tramps lived in it in a car park and one of them had shit in a bag, which was really weird."

"I actually think that's quite all right," said Paddy, as the audience laughed.

"He's not done it on the car seat, has he? It's a bit of courtesy."

"Will, I told myself if I ever saw you, I'd apologise," joked Freddie.

"I accept your apology," Will replied.

TEACHER DENIES SEX IN OFFICE WITH TEEN SCHOOLGIRL...

'I could go to prison for this'

SHOCKING REQUEST: Aldridge allegedly sent text asking for threesome

TIT-ney Spears!

TIT me baby, one more time...

Britney Spears and boyfriend Sam Asghari have stepped out hand in hand amid split rumours.

But more important than the state of the pop star's love life was the fact she wore a see-through top that clearly revealed her nip-ends!

The pair headed out for dinner in LA and looked very much in love as they walked hand in hand.

The break-up rumours surfaced after Britney posted a quote on Instagram with no explanation, reading: "Our lives may not have fit together, but oh did our souls know how to dance."

Turns out that was just a bit of good, old-fashioned gibberish...

AN assistant headteacher accused of grooming four female pupils and having sex with them sent one a text asking for a 'threesome in a hotel' with her and her friend, a court heard.

Sean Aldridge, 37, allegedly sent the text to one of the teenage girls he had formed relationships with while teaching them, requesting the meeting with her and her pal, who were both under 16 at the time.

Portsmouth Crown Court heard the victim's friend was 'shocked' when she was shown the message.

By COLIN HURST
news@sundaysport.co.uk

A jury heard Aldridge was a PE teacher at Warblington Secondary School in Havant, Hants, before being promoted to assistant headteacher when the alleged sexual abuse happened between 2007 and 2012.

He was also head of safeguarding at the school, which has around 650 pupils between the ages of 11 and 16, and was responsible for ensuring the well-being of students.

Shocked

However, prosecutors claim he abused his position of trust to sleep with the four teenage girls, even telling one during sex in his office "I could go to prison for this".

His alleged grooming began in 2007 after he gave a 15-year-old pupil, who cannot be named for legal reasons, his mobile number because she was having 'problems at home'.

Giving evidence, a friend of one of his victims revealed he had requested to meet them both at a hotel for sex.

The girl told jurors: "The message from Aldridge was in the name of Sean in her phone and it suggested that we had a threesome in a hotel."

"I remember feeling shocked."

The girl said she had

seen a series of other text messages sent by Aldridge to her friend, which included requests to 'meet him wherever' during school hours.

The witness added: "At prom she received a message from him saying she was 'sexy' or it might have been 'hot'."

The court also heard from the mother of one of his alleged victims, who claimed that during an earlier investigation her daughter had lied and said she had not slept with Aldridge because she 'didn't want to get him in trouble'.

However, a few years later she did tell her mum what happened.

One victim told jurors they started messaging each other when she was 14 and claimed their relationship became sexual when she was in Year 11.

The girl said that in Year 11 she had a miscarriage, claiming Aldridge had called it 'our baby'.

She then had a second pregnancy scare, which allegedly prompted him to tell her she would have to 'get rid of it' if she was.

Aldridge, who lives in Portsmouth, denies 28 charges of sexual activity with four schoolgirls between the ages of 13 and 16.

The trial continues.

Mission commander Neil Armstrong, who took the first lunar footsteps, died in 2012.

The event kicked off eight days of golden anniversary celebrations marking each day of Apollo 11's voyage.

Roo hooker Hel: I don't feel guilty!

CELEB escort Helen Wood says she doesn't feel guilty for having sex with footie star Wayne Rooney while his wife Coleen was heavily pregnant.

Rooney had a 3-way with Helen and Jenny Thompson in 2010, while Coleen was carrying their first son Kai, with the story being sold to the press.

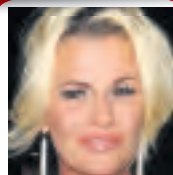

Helen, 32 (above), has now written a memoir about her time as an escort and the reality TV career she enjoyed on the back of it.

The former *Big Brother* winner said: "I didn't feel guilty about it. It was my job, so I don't have any regrets. It was an appointment."

"I don't feel guilty for what happened – what I did back then was never about hurting the wives, it's just about business."

But talking about Coleen, now 33, Helen went on to add: "It was gut-wrenching and I did feel sad for her."

BOLLOCK BITE MUM BACK IN COURT

IN THE DOCK: Maria Topp

Blonde breached restraining order

A MUM convicted of GBH after sinking her teeth into her lover's genitals has been back in court after she breached a restraining order.

Maria Topp, 52, avoided jail in 2013 despite biting Martin Douglas's scrotum so hard that it left his testicles exposed.

But their stormy relationship has landed her in trouble again after she sent him "three silly texts" – despite being banned from doing so.

The attack, which followed a 10-hour booze session at Mr Douglas's flat in Newcastle, ended their five-year affair, with Topp handed an indefinite restraining order plus a suspended sentence at Newcastle Crown Court.

Ripped

Gavin Doig, prosecuting Topp in 2013, said: "The most serious injury was obvious to police when Mr Douglas pulled aside the towel he had on."

"They were able to see his scrotum was ripped, that his testicles were exposed and bloodied and it was the defendant that had done this."

He made a full physical recovery and the order was imposed to allow him to try and move on.

By IAN JOHNSON
news@sundaysport.co.uk

Prosecutor Holly Common told South Tyneside Magistrates' Court the original attack was "horrendous", stating Mr Douglas had needed two "major surgeries" to repair the damage.

However, this week's sentencing was told Mr Douglas had since made "overtones" towards Topp, who had largely ignored his contact.

But Angus Westgarth, defending, said: "She was drinking and reminiscing."

"She sends three silly texts between May 26 and 28 this year. This reflects what took place in the past."

Topp, of Washington, was fined £80 and told she must also pay a £30 charge and a further £85 – to be deducted from her benefits.

Louise: I'm cool with sexy video

POP scorcher Louise Redknapp says she expected criticism for not wearing enough clothes in her latest music video.

The 44-year-old (above), who split from ex-footballer hubby Jamie in 2017 after 19 years of marriage, unveiled comeback single *Stretch* earlier this year.

She said: "It was sexy but still quite funky. It was a bit more of a risk and we went for it in the video."

"I knew it would divide opinion – the look of it."

"People would either love it or say, 'She should be wearing more clothes, she shouldn't be so sexy, she's a mum'."

"But I know where my boundaries and lines are and I think it looks sporty and cool."

Asked whether she had any career regrets, former *Eternal* babe Louise added: "Wearing blue PVC on *Top of the Pops* with a dog collar – those pictures will haunt me forever!"

Warning over Spice vape as kids collapse

AT least nine youngsters have needed hospital treatment in Greater Manchester since February after unknowingly using a vaping liquid containing the street drug Spice.

None of the youths suffered long-term health effects, but chief medics have issued a public alert to avoid buying or using a fake natural cannabis based "THC vape".

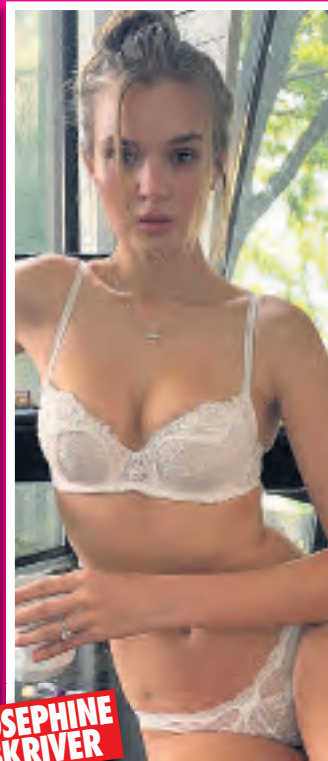

Two incidents in the Oldham area led to five school-age children collapsing and being rushed to hospital, while other incidents between February and June took place in Rochdale and Bury.

Two different forms of the drug have been found – one came in a 10ml e-liquid bottle, while the other was a ready-filled e-cigarette cartridge.

Tests on samples used confirmed the drug added to the vaping liquid are the same chemical compounds found in Spice.

TOSSER: Lee Parmley

A FORMER England under-16 footballer was caught with his trousers round his ankles as he masturbated in a park.

Lee Parmley was seen exposing himself in the Queen Elizabeth II Country Park in Ashington, Northumberland.

The 38-year-old took two porn magazines out of a black bag, pulled down his trousers and underwear and started to wank – unaware that police officers were watching him.

Despite being caught with his pants round his ankles, Parmley initially said the officers were “wrong” and that he’d simply been sitting having a cigarette.

But he later admitted the offence and pleaded guilty to a charge of outraging public decency when he appeared at South East Northumberland Magistrates’ Court.

Prosecutor James Long said at 11.15am on March 26 this year police received a call from a concerned member of the public saying a male was exposing himself in the Queen Elizabeth II Country Park.

He said: “They went

“At this stage he appeared to have both hands down his trousers.

“He pulled his trousers and underwear down, exposing his penis.”

Parmley then removed two pornographic mags from a black bag and started to masturbate.

When cops approached Parmley and asked what he was doing, he stood up “with his trousers and underwear” still round his ankles.”

Mr Long said: “They

made him decent and he was arrested.

“The defendant was interviewed under caution and said the officers who witnessed what had happened were wrong – that he had simply been having a cigarette.

“He said he had just found the magazines on the ground.”

Alan Brown, defending, said Parmley had a “sad decline” from his youth as a promising footballer, adding: “From crime he developed into the use of drugs, and drugs have been his ruin.

Parmley, of Blyth, was sentenced to a 12-month community order and told to pay an £85 victim surcharge and £40 costs.

HORNY Jeana Brock revealed she has the same taste in men as her best pal – because they once had a kinky THREESOME.

The 26-year-old star of the award-winning hit gangster movie *Rise of the Krays* admitted to getting down and dirty with her stunning friend after pulling the same bloke in a nightclub.

But Dover-born Jeana said the horseplay soon turned wild – when she got out her very own bondage WHIP.

The 32E brunette said: "I've always been close to my friends, I've known most of them for years.

"There have been some drunken snogs, but we'd never been any further than that.

"So when me and my friend Kirsty both fancied the same bloke in this club, the obvious choice was to go in together.

"Needless to say, he jumped at the chance and we had a steamy night together.

"We even had a tea break and a KitKat before we went back for seconds – only this time we spiced it up with a bit of soft S&M."

TEEN WORE MINI-SKIRT FOR SEX WITH DAD-OF-SIX

BRAGGED
TO PAL:
Devlin

A DAD-OF-SIX bragged to a "horrified" friend that he was having sex with a 16-year-old schoolgirl while showing him pictures of her in provocative poses.

Paul Devlin, 51, also showed the man a very short white mini-skirt, boasting that the girl wore it for him every time they had sex.

Prosecutor Conor Fahy told jurors at the start of Devlin's trial that the complainant was aged between 15 and 17 when the abuse began 10 years ago.

Oral

"She alleges she had sexual intercourse with him and, on occasion, oral sexual intercourse and the law states that it's a criminal offence for a male adult person to do that to an underage girl," he said.

The two-week trial at Galway Circuit Criminal Court heard that Devlin met the girl through his 15-year-old son on St Patrick's Day, 2009, after which he began to text her. He arranged to pick her up near her

school or meet her in car parks two to three times a week, before driving her to remote locations in Connemara in the Republic of Ireland to have sex with her.

He told her he liked her in the mini-skirt she was wearing when he first met her and asked if he could have it. She said she always wore it for sex after that.

On one such trip to Connemara in 2010, when the girl was 16, Devlin took photos of her scantily-clad body, draped across the bonnet of his car and in other suggestive poses.

Mr Fahy said a single word summed up the photos found on Devlin's phone and shown to the jury – "sad" – as they depicted a young, vulnerable child being exploited by a mature, married man for his own sexual gratification.

Devlin was found guilty by the jury of 23 charges involving the defilement of a child aged under 17 and a further eight charges of defilement by getting the girl to perform oral sex on him.

He will be sentenced in November.

Scotland drug death warning

MORE than 1,100 people died from drugs in Scotland last year, new figures indicate – the worst total since records began, and higher than any other EU country.

There were 1,187 drug-related deaths registered in 2018 – above 1,000 for the first time, and 27% more than the previous year.

The National Records of Scotland statistics indicate Scotland's drug death rate is nearly triple that of the UK.

Scotland's Public Health Minister Joe FitzPatrick said the figure is "shocking", and that innovative approaches are needed to save lives.

Heroin, morphine and methadone accounted for 1,021 of the deaths while most who died were men (72%).

COPS in Tennessee have told junkies not to flush crystal meth down the loo if they get busted – as ALLIGATORS are getting hooked on the drug which filters through to them.

Sex with teen Miss gets 20yrs

A FORMER teacher has been jailed for 20 years after she admitted shagging a 13-year-old pupil.

But Brittany Zamora avoided the maximum sentence for sexually abusing the student, telling a court she is "not a threat to society".

Zamora, 28 (below), was handed the sentence in Maricopa County Superior Court in Arizona.

She narrowly avoided a 27-year sentence that prosecutors had originally asked for.

They said Zamora had multiple sexual encounters with the boy in a classroom and in her vehicle.

Some contact between her and the sixth-grader took place during lessons – while other students were watching a video.

A second boy, age 11, had seen her having sex with the student, according to investigators.

Cops said Zamora showed naked pics to both boys and asked them sexual questions.

The older student's parents called Zamora a "twisted monster" in a statement read out in court, where Zamora apologised and said: "I'm a good genuine person who made a mistake and regrets it deeply."

Defence lawyer Belen Olmedo Guerra said his client is a "great candidate" for rehabilitation.

Cops rattled at uranium in drunk's car

A DRIVER stopped by police had an open bottle of whiskey, a gun, a rattlesnake and a can of radioactive URANIUM on him.

Stephen Jennings, 40 (above), who was in the driver's seat, and passenger Rachael Rivera, 30, were nicked.

The stop – sparked by reports of a stolen vehicle – occurred on June 26 in Guthrie, Oklahoma, said Sgt Anthony Gibbs of Guthrie Police.

The gun was found in the glove compartment and a glass box which contained the pet Timber rattlesnake was on the back seat.

The uranium, which Gibbs said can be purchased legally in some states, was not weapons-grade. It is unclear why it was in the vehicle or how it was obtained, he said.

"It was nothing we were concerned of as far as him using it as a weapon of mass destruction," Gibbs added. "It's very low radioactivity."

Jennings faces several charges including operating a car with a suspended license.

It takes 18 people 900 hours to put out the red carpet for the Oscars.

But if they did, Kylie & Sofia would go NAKED

CARLSBERG don't do holiday snaps – but if they did, they'd look a bit like this.

Showbiz pals Kylie Jenner and Sofia Richie took a private jet to the posh Turks and Caicos.

And it wasn't just a holiday, of course.

Kylie let on she was there to launch her new brand, Kylie Skin – presumably so they could make the trip tax deductible.

But never mind that... The snaps she shared on Instagram were better than any fuzzy shots of the water slide.

"Vacation mode," Kylie, 21, wrote alongside one pic of herself nude, save for a hat.

She covered her best bits with a strategic leg cross and her forearm over her chest.

Meanwhile Sofia, 20, shared a shot of her own and posted: "Another, because why not?!"

Driver gave motorist a w**k stare

A MAN was arrested after police said he masturbated in his car while staring at a bloke in another car.

Andre Belisle, 59, of Chaplin, near Mansfield, Connecticut, was charged with second-degree breach of peace and public indecency.

The victim told cops he was sitting in his truck at a boat launch when Belisle pulled up next to him and began wanking in his own vehicle.

When the victim went to confront him, Belisle covered his face, then started his car and fled, police said.

But the victim was able to take a picture of Belisle's licence plate which he gave to cops.

Belisle was released on a £750 bail and is due to appear in court next week.

A police source said: "This is one boat launch neither man will forget."

Bra woman arrested for cop w**king

A WOMAN wore nothing but her BRA while she masturbated in front of a shocked police officer.

Cops saw Alexisakira Meltrisenatassi Rio, 35, walk in and out of the road "clad simply in a brassiere".

They pulled over to determine "why she was partially nude," the arrest report says.

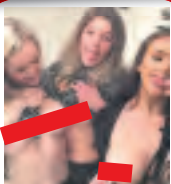

Rio started walking towards the officers, grabbing her crotch area before she then "erotically motioned" with her hand, saying: "I see you, baby."

She then tried to get in the driver's side of the patrol vehicle but was stopped as there were two firearms accessible from the front seat.

She told police she "was on pills and might be pregnant" and was hallucinating.

Rio, of Fort Pierce, Florida, was arrested for burglary, indecent exposure and three counts of resisting an officer without violence.

Self-drive motors bankruptcy scare

SELF-driving electric cars could see government departments go bankrupt.

A study in Nevada said the desert state relied on funding its institutions with money from an "overabundance" of parking tickets and drink driving fines.

"There is a crossroads coming fast in the 2030s when self-drives are everywhere that could lead to the bankruptcy of organisations," the study said.

Sex, drugs and

GIANTS OF ROCK: The Stones were the creation of Brian Jones

LIVE fast, die young...

That's the ethos of rock and roll right from the early days – and many of music's most famous stars have taken it on board.

Because the life expectancy of the popular music star is about that of a lion tamer with legs made out of Kit-e-Kat.

The rock and roll graveyard is absolutely chock-a-block with those who have toppled off this mortal coil far too soon.

Drink, drugs, drink and drugs, suicide, car wrecks, plane crashes, murder...

For many pop stars, the end is not without drama. And today – in the first of our new series – we look at a 50-year-old mystery that still puzzles fans...

WHEN crowds go nuts over a Rolling Stones gig, fewer and fewer of them realise how this hugely successful, age-defying band came into existence.

The often forgotten truth is that the raucous rockers were NOT the construct of flamboyant frontman Mick Jagger or legendary hell-raising guitarist Keith Richards.

No – the original founder of arguably one of the world's greatest ever musical groupings was BRIAN JONES, who died in mysterious circumstances FIFTY YEARS ago this month.

It remains one of the greatest mysteries in rock history – what really happened to Jones, who was found dead in the swimming pool at his home, Cotchford Farm in Sussex, in July 1969?

An inquest recorded death by misadventure – "drowning while under the influence of drink and drugs" at some point over the night of July 2 and morning of July 3.

Yet the timing of the

guitarist's death, just three weeks after he was SACKED from the band he founded, has always raised more questions.

Now an investigator who has spent decades re-examining all the evidence and interviewed those present is set to unveil a new Netflix documentary on the subject.

Terry Rawlings – author of *The Final Truth: The Murder of A Rolling Stone* – says Jones was killed by his builder Frank Thorogood in a row over money and the murder was covered up by Jones' former chauffeur-turned-minder, ex-paratrooper Tom Keylock.

Busking

Born in Cheltenham in 1942, Jones left school at 17 and spent a summer busking in Europe, which is when he decided to form a band of his own, placing an advert in *Jazz News* in May 1962.

Mick Jagger and his friend Keith Richards had seen Jones playing at the Ealing Jazz Club and responded to the ad.

The three then shared a flat in Chelsea, living from hand to mouth.

Jones was responsible for the group's name

POPPED THEIR CLOGS!
MUSIC'S MOST SHOCKING DEATHS

after nicking the Muddy Waters song title *Rollin' Stone*.

It was former bassist Bill Wyman who summed up his importance: "No Jones, no Stones. He formed the band. He chose the members. He named the band. He chose the music we played. He got us gigs."

By the time he was 17, Jones had fathered two children by two different women.

In 1961, he had a boy with girlfriend Pat Andrews – who he later abandoned – and three years later, a son with Linda Lawrence.

Within months of that birth, another girlfriend, Dawn Molloy, announced that she was pregnant and given £700 to keep quiet.

Jones is also said to have fathered a daughter by an American model.

He treated all women appallingly – and with violence.

At the time of his death, he was ending a

relationship with model Suki Potier, while living on and off with Swedish dancer Anna Wohlin.

But it was his romance with Anita Pallenberg that defined Jones.

The long, floppy hair, fur coats and jewellery, prolific drug use and violent relationship.

He beat her up – and she in turn hit him back.

Then in 1967, Jones, Anita and Richards went to Morocco. Jones overdosed, and Anita ran off with Keith.

"That was the final nail in the coffin with me and Brian," Keith said.

"He'd never forgive me for that and I don't blame him. But hell, shit happens."

Jones announced his "departure" from the band in June 1969. By then the Stones had enjoyed huge global success with hits including *I Can't Get No Satisfaction*, *Paint It Black* and *Let's Spend The Night Together*.

In a statement, Jones said that he no longer

Thorogood

All three insisted that they had independently left the pool and gone to separate parts of the house minutes before Jones drowned alone.

According to other accounts, however, it seems likely there were several more people present at Cotchford that night.

The head of the investigation team, DCI Bob Marshall, said there were "six or so" friends of Jones with him that night. But police never established who the others were.

Between November 1968 to his death in July 1969, Jones paid his builders £18,000 (£291,000 today).

Shaking

They were on £250 – equivalent to today's £4,000 – a week, when £15 a week was the going rate.

The builders abused Jones's hospitality by ordering steaks from his butcher and charging them to him, and making dope-laced brownies in his kitchen.

In 2008, before her death from cancer, Janet Lawson gave an interview in which she claimed: "Frank was not doing the building work properly."

"Brian had sacked him that day. There was something in the air."

"Frank was acting strangely that night,

throwing his weight around a bit."

She said she went to find Jones' asthma inhaler and while she was in the kitchen, Frank came in.

"His hands were shaking. He was in a terrible state," she said.

"I thought the worst almost straight away and went to the pool to check. When I saw Brian on the bottom of the pool and was calling for help, Frank initially did nothing."

Terry Rawlings, author of *The Final Truth: The Murder of A Rolling Stone*, is in no doubt: "Brian was murdered, beyond any doubt."

"Tom Keylock, who was Brian's minder hired by the Stones, told me that Frank murdered him with his friend Mo Tucker as an accomplice."

"It was not that they set out to murder him, it was an argument which got out of hand and then Brian was dead."

Keith Richards always suspected foul play. He said: "Someone didn't take care of [Jones] and they should have done because he had someone there who was supposed to take care of him."

"Everyone knew what Brian was like, especially at a party."

"Maybe he did just go for a swim. I wanted to

know who was there and couldn't find out."

Two days after Jones' death, the Rolling Stones played a free concert in Hyde Park – which turned into a tribute show, with hundreds of white butterflies released.

Richards wrote in his autobiography: "The ups and downs with the guy are one thing, but when his time's over, release the doves, or in this case the sackfuls of white butterflies."

The funeral of Brian Jones was held in Cheltenham on July 10, 1969. Watts and Wyman attended. Jagger and Richards did not, but sent their apologies.

● *Brian Jones: The Final Truth* will be released on Netflix later this month.

**Shag-happy Brits love to get
down 'n' dirty in the sand**

MORE than 40 per cent of sunseekers have had a one-night stand on holiday, according to a survey. The new poll found that holidaymakers are far more prepared to have casual sex than when they are at home.

And they enjoy having sex outdoors – with 57% having had sex on the beach.

By JAYNE FERGUSON
news@sundaysport.co.uk

Other popular places for sex on holiday include a beauty spot (37%), a field (31%), in a public place such as a park (28%) and in the pool (24%).

Many Brits on holiday admitted sleeping with a number of sexual partners during a single week away – with 10% having five or more lovers.

The shock findings were revealed in a poll of 2,000 people by IllicitEncounters.com, the leading dating site for married people.

Respondents were asked what was the most number of sexual

partners they have had on a week's holiday.

The answers were: 1 (35%), 2 (25%), 3 (19%), 4 (11%), 5 or more (10%).

We also like to cheat on our hols, with 45% of women and 54% of men admitting that they had enjoyed a fling.

The sexiest foreigners were Italians (33%), and our favourite holiday destination for sex was Greece.

One in five of those polled has taken pictures of themselves having sex on their hols – and 42% had had a one-night stand.

saw eye-to-eye with the group. But the truth was that he'd been fired the previous day by Jagger, Richards and drummer Charlie Watts.

The band gave him a £100,000 pay-off plus £20,000 a year for as many years as the band continued – equivalent today to £1.6million and £323,000.

Despite Jones' talent, the seeds of his departure were sown when Andrew Loog Oldham was appointed the Stones' manager in 1963.

He considered Jagger to be the real star and he wanted Jagger and Richards to write their own songs.

In a 2012 documentary, Jagger said: "Keith and I took drugs, but Brian took too many drugs of the wrong kind and he

wasn't functioning as a musician."

In November 1968, Jones bought Cotchford Farm, near Hartfield, Sussex, the former home of Winne the Pooh creator A.A. Milne.

But shortly after midnight on Thursday, July 3, 1969, an ambulance was called.

The first cop on site was PC Buster Evans at 12.15am. Jones was dead, his body already retrieved from the pool.

According to the official version, there were just three guests there that night – Jones' girlfriend Anna Wohl, Frank Thorogood and a nurse, Janet Lawson, who was the girlfriend of Tom Keylock.

They gave statements to police saying that Jones was drunk or had been drinking.

DRUNK ROLLER GIRL GROPE PALS' MINGES IN HOT TUB

ATTACKS:
Peterson
bit her
victims

A DRUNK roller derby competitor sexually assaulted and bit her teammates during a wild, naked hot tub party.

Jennifer Peterson, 31, now faces up to 10 years in prison for her debauched antics – which went from consensual kissing to touching three women on the vagina without consent.

The County Court of Victoria in Australia heard

Peterson was a D-grade player in an elite team of A grade roller girls who were celebrating the end of the season at a pub.

The celebration had been a joint awards night and Christmas party, which ended at a teammate's house.

Peterson, of Gladstone Park, near Melbourne, had been drinking since midday by the time the party moved to the rear of a Brunswick property where the girls in attendance stripped off.

Naked

Peterson participated in drinking games and a game of "truth, dare or pash" with her naked teammates in one of the two hot tubs.

Her other teammates jumped out of the spa and continued to dance naked around the place.

Once alone, Peterson attacked. She launched herself onto her hapless victim, biting her on the neck and upper body –

By **GRACE HOOPER**
news@sundaysport.co.uk

and groping her genitals. She also groped and assaulted two others.

Her lawyer, Julian McMahon, described the party as a "highly sexualised environment saturated with alcohol".

"It's clear there was a lot of nudity and it was a very tactile event, lots of bodies squashing into spas, lots of people engaging in a range of conduct from dancing naked to games such as 'truth, dare or pash,' and lots of people kissing each other," he told the pre-sentencing hearing.

He said his client had a "very hazy recollection of the night" as she was "terribly drunk".

But the prosecution argued that there were boundaries.

Peterson will be sentenced next week after pleading guilty to three charges of sexual assault.

Underwear thief caught on camera

POLICE arrested the male thief of other men's undies after he was found taking illicit snaps.

Tomoya Ishii, 21, trespassed into a home in Tokyo's Katsushika area and swiped six pairs of underwear from a male occupant while he was in the bath.

"When I saw him, I thought he was handsome," the suspect said when quizzed by officers.

"I was overcome with desire and stole the underwear of a guy I liked."

The victim got out of the bath and seized Ishii after finding him taking photos on his smartphone.

KNIFE ATTACK: Chapman 'cut her victim's arm and shoulder'

A MAN who said he was too tired to have sex was attacked with a knife by his girlfriend.

Jennifer Chapman grabbed the kitchen knife and slashed her lover on the arm and shoulder.

The confrontation between 37-year-old Chapman and her live-in boyfriend occurred around 5.45am in the couple's apartment.

Police said that Chapman and the 36-year-old victim 'got into a verbal argument over the defendant wanting to have sex and the victim did not because he was too tired'.

After Chapman grabbed a knife and cut her own arm, the couple began grappling on the kitchen floor.

By JAYNE FERGUSON
news@sundaysport.co.uk

When they separated, Chapman allegedly "cut the victim's left arm and shoulder area multiple times".

She also headbutted and punched her boyfriend in the face, cops allege.

Chapman was placed in custody in Tampa, Florida, after being charged with aggravated assault.

She is also facing a probation violation charge in connection with her guilty plea last year for illegally possessing marijuana, crystal meth and the antidepressant Xanax.

A police source said: "She's a real wild cat when she's high."

Robber's gun attack on man bonking in van

A ROBBER grabbed a handgun from a woman's bag and attacked a man with it as the pair were having sex inside a van.

Jonquae Winston, 30, of south Chicago, is charged with attempted armed robbery and aggravated battery causing great bodily harm.

The romping couple were in the van when Winston opened the driver's side door and shouted: "Give me everything."

When the couple told him they had no cash, he allegedly rifled through the woman's bag and found a revolver.

After dragging the 26-year-old man out of the van by his hair, Winston let off three shots that nearly hit him, prosecutors said.

Winston (above) then allegedly started beating the man with the butt of the gun and a scuffle ensued.

A judge ordered Winston to stay away from the man he attacked before he appears in court again for sentencing.

Mower thieves cut cock 'n' balls into field near nursery

FRANKSTERS used a stolen professional lawnmower to sketch out a COCK and BALLS onto a playing field next to a nursery.

"Whoever stole it cut a bunch of patterns into the grass and apparently hit a couple of goalposts, so there is some damage to the lawnmower," a police spokesman said.

"The officer that attended reported that there were doughnuts mowed into the lawn, end of story."

But witness Fred Fernando said: "We found a little track mark on the field and it was shaped like a penis and balls."

"We got a good laugh out of it, so it's all good."

The slightly damaged lawnmower was driven with a police escort back to its rightful home a mile away in Saanich, British Columbia.

CELEBRITY MasterChef is back for its fourteenth outing this summer.

A brand-new batch of celebs will don their chef whites in a bid to impress infamous judges John Torode and Gregg Wallace.

There's already controversy thanks to the inclusion of Ian Beale off *EastEnders*, with fans pointing out that as a professional chef he has an unfair advantage.

But the pair who are likely to get dads' soufflés rising are *Death in Paradise* GILF Elisabeth Bourgine, 62, and 31-year-old former *Geordie Shore* stunna Vicky Pattison.

Because we've got snaps of both of the lovelies in varying states of undress!

PORN BABE BACKS ANTI-TRUMP 'GRANDPA MIKE'

PRESIDENTIAL candidate Mike Gravel has got the backing of busty porn star Sydney Leathers.

Leathers (right) said on Twitter that for enough contributions, as small as \$1, to the Gravel Democratic campaign, she would post nude photos of herself.

The 89-year-old no-hoper (left), from Alaska, tweeted back a thank-you and said he was "honoured to have Sydney's endorsement".

Her work, he said, is "work just like any other work and doesn't draw arbitrary lines.

We need to recognise the humanity of all people, no matter their occupation."

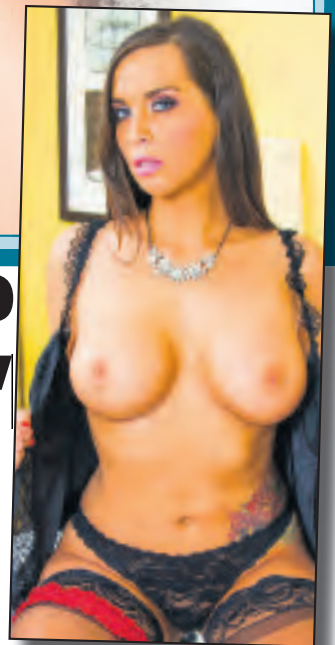

Nicknamed Grandpa Mike by his campaign team, Gravel went on to say that "if we keep up the pace from today we'll qualify in TWO DAYS".

It was unclear whether he meant that to be a part of the next Democratic debates, or to see Leathers' nude photos. "Everyone involved in

politics is a whore," said Leathers. "I'm just open and honest about it."

Gravel isn't the first Democratic candidate the porn star has engaged with.

Leathers is the ex-sexting partner of former US House of Representatives member Anthony Weiner and in 2015 she had a texting relationship with Indiana state House member Justin Moed.

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I WORK for an advertising agency and my boss is a sexy blonde in her early 40s. I'm 22 and joined the company as a graduate last year.

As soon as I arrived she was flirting with me and at the end of my first week she gave me a blowjob for "working so hard".

I couldn't believe my luck!

A week later she invited me to her place and I boned her.

She's got a great body and let me have her up the arse. A few days later I had her and her pal – a tasty brunette in her late 30s.

She told me that they have regular threesomes with their "toyboys".

I feel used and wonder if I should stop shagging my boss. What do you reckon?

TD. Leeds

Kelly says...
LIGHTEN up and enjoy yourself
with these sexy older ladies

Dear Kelly.

MY missus is a right little tart – and I love it.

She likes to dress up in skimpy clothes and throw herself all over men when we're on a night out, not caring if I'm there.

I get so turned on when I see her getting groped and snogged by a complete stranger.

The other night I watched as some bloke fondled her tits and fingered her in the middle of a nightclub.

But now she wants to take it further – she wants to get shagged.

As you might imagine, I'm not keen.

How can I stop her?

DP. York

Kelly says...
YOU'LL really have to explain to her how you feel – it could end your relationship.

Midlands lass won't take it up the Brum

Dear Kelly,

IT may sound a bit weird but there's something about Brummie accent that really gets me going.

I know most people prefer the sound of voices from their own region, but when a Wolverhampton lass or Dudley babe pipes up, my dick goes rigid.

Just lately I've been tuning into Brummie radio station through the internet just so I can fill my ears with those wonderful tones the women presenters have.

One day the radio the other day blathering on about something or other and I soon had my

hand on my tool, tossing myself off.

I had no idea what she looked like, but her drawl soon had me in ecstasy.

I thought I'd cracked it when I found a Midlander of my own.

She works down the library and I took her round the back of non-fiction and I asked jovially if she'd take it up the Brum.

She slapped my face and stormed off to report me to management.

What did I do wrong?

FC, Manchester

Kelly says...

MAYBE she didn't like **YOUR** accent.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY MCGREGOR has been reading through your letters. And here's her advice for you...

Hubby can't keep up with my need for rougher sex!

Dear Kelly,

I'VE been married to my husband for nine years and our sex life has got bomg.

He's a great guy in most other ways but his bedroom moves are always the same.

We have a bit of foreplay, I give him a blowjob, swallow his spunk, then it's the same old wait for him to get hard again and climb-on-do-it-roll-off routine.

The trouble is he's too nice and doesn't realise that most women – myself included – want sometimes is some rough, dirty sex.

That's why I ended up having an affair with a guy in my office.

Mouth

The first time we had sex was amazing – everything I'd longed for.

I kissed him passionately and he thrust his tongue hungrily in my mouth as I rubbed the bulge in his trousers.

He pushed the papers on my desk aside, threw me roughly over it, pulling my thighs apart and literally ripped off my panties.

He grinned wickedly as he unzipped his pants to reveal his hard cock.

Then he grabbed my hair and pushed my head down and I took his big dick in my mouth.

I sucked him hard until I could feel the surge of a throbbing climax in his balls.

We were hot and sweaty as he rolled me over and rammed his dick into my soaking pussy, shagging me doggy-style while pulling gently on my hair.

DO YOU HAVE A SEX PROBLEM?

email:

agonys@sundaysport.co.uk

Mail: Agony, Sunday Sport, 860 Chester Road, Stretford, Manchester M32 0QJ

I yelled at him to f**k me harder until I could feel a massive orgasm swelling within me. It wasn't long before we were both climaxing and I felt completely satisfied and fulfilled for the first time in ages.

I then sucked him hard again and we did it standing up against a wall.

I've been seeing this bloke for three months and it has helped my marriage, as my need for wild sex is being met, but I can't help feeling guilty.

Should I confess all to my poor hubby?
SM, Leeds

Kelly says...

IT'D be better if you just told him you needs.

Dear Kelly,

I'M a 42-year-old woman having trouble finding a toy boy who can keep up with me.

I've never been married and I like to orgasm at least five times a day but, like I

said, I've hit a bit of a sticky patch lately. My last fling was with a 22-year-old gym instructor with an eight-inch cock.

I used to love running my tongue over the length of his shaft while it was still limp. There's nothing more exciting than when you feel a cock stiffening in your mouth.

Anyway, when he was hard I would let him do whatever he wanted to me.

He used to love tying me to the bed and pulling my long blonde hair as he thrust into me.

Problem is, after his third or fourth orgasm he would be spent, just like the 12 or so before him.

Any ideas on where I can find a lover who can keep up with me?

MP, Kent

Kelly says...

TRY a cardboard box marked 'Rampant Rabbit'.

Dear Kelly,

I'M 18 and have just started taking driving lessons.

My instructor is about 40, blonde and really sexy – I was stunned when I first saw her.

For my second lesson she wore a really skimpy low-cut top, which showed off her huge tits, and a short skirt.

Needless to say, I found it really difficult to concentrate on my driving with a massive hard-on.

For my third lesson she told me to drive into the country. When we parked up I thought it was to practise some manoeuvres.

Sexual

We did – sexual ones. She took her top off and just as I was about to grab hold of her tits she unzipped my pants and started sucking my dick. It was as if all my dreams had come true.

After I'd come all over her boobs, she took her knickers off and lay back, spread her legs and let me pump her.

Since then, we have a shag after every lesson.

The only problem is that she's put me in for my test, but if I pass there will be no more sex sessions.

What do you think I should do?

PT, Merseyside

Kelly says...

YOU could always fail your test on purpose!

Dear Kelly,

I WORK as a mechanic on garden machinery and often get called out to fix lawnmowers at posh homes.

The job is boring but recently I was called out to have a look at a broken-down ride-on lawnmower.

The house was massive with huge lawns and the mower had been left outside so I could get straight to work.

It was a hot day and I stripped off my T-shirt.

I had only been there for five minutes when I looked up and a lady was standing in the doorway. She had long dark hair and huge tits.

She was wearing a white blouse and a white skirt and the sun was shining through the material and I could clearly see her dark mound.

She said: "I thought I'd bring you a drink." I couldn't believe my eyes and I felt my cock start to stiffen.

I stood up and accepted the drink and we chatted

for a few minutes. Then it happened. She started stroking my arm and bare chest and I wasn't really sure how to react.

But when she tugged down my jeans, unzipped her skirt and let it fall and said "lick me".

I didn't need asking twice and quickly buried my tongue into her pink pussy.

She then lay back on the ride-on lawnmower and said: "F**k me hard."

Within seconds I was thrusting deep inside her and she orgasmed time after time and I could feel her love juices trickling round my balls.

After I shot my load deep inside her she quickly pulled her clothes back on.

She said never to tell anyone what happened as she had too much to lose and disappeared back in the house.

Should I go back?
FG, Peterborough

Kelly says...

WAIT until she calls you again – it probably won't be long.

SEX FANTASY

'Doing it with another babe and a bloke is my dream'

I'VE been going through a phase of lusting after some kinky lesbo action lately.

I really love watching girl-on-girl porn films – just seeing other women kissing, with their soft lips, turns me on.

My idea of a good night in is a glass of wine, one of my sex toys and some steamy porn featuring girls with massive boobs.

I've never been with a woman – sometimes I've got a bit tipsy and started sending naughty messages with girls online, so maybe it will happen soon!

My ideal woman is curvy with a lovely, peachy bum.

Lather

My dream would be to get in a shower with another girl and really lather up her body.

"There's nothing hornier than slippery, foamy boobs!

Going down on a girl would feel different, but I know what I like so I'm confident I could really get her turned on, too.

I have also thought about having a threesome – doing it with another babe and a horny bloke is my dream!

KAREN WHITE

By SIMON DEAN

simon@sundaysport.co.uk

FOR more than 30 years, Sunday Sport has proudly served only the cream of British glamour.

We've launched the careers of literally THOUSANDS of topless models – from Linsey Dawn McKenzie to Jordan.

And Karen White was another babe propelled into megastardom via our pages.

Karen, from Rotherham, South Yorks, began modelling for adult magazines *Shaven Ravers* and *Knave* in the late 1990s.

The 35-year-old made regular appearances in *Sunday Sport* and also featured in a TV documentary about glamour girls.

She even flashed her bra-bustin' 34D curves in a famous TOPLESS advert for insurance firm Hastings Direct!

Karen admitted to BONKING in public with her boyfriend while on holiday in Varadero, Cuba.

She told us: "We were on the beach after midnight and I climbed on top."

"He pulled his shorts down just enough to slip inside me. It felt amazing having sex under the stars."

BROOKS IN A RUSH FOR CLARET JUG

BETWEEN now and the time 2011 champion Darren Clarke hits the first tee shot at 6.35am on Thursday, we will have all seen countless times the images of a long-haired 16-year-old Rory McIlroy describing his 2005 course record 61 at Royal Portrush – the scene of this week's 148th Open Championship.

This is the first time the Open has been in Northern Ireland since Max Faulkner won in 1951 and Clarke has a house overlooking the course. I feel there will be a tear or two shed by the former champ on the first tee.

98 players teed it up in County Antrim 68 years ago and only two are still alive – little known Norman Drew and Peter Alliss – who was 20 at the time. He will be commentating for the BBC in what looks likely to be his last broadcast before he hangs up his mic.

McIlroy – who tees off at 10.09 – is 8/1 favourite at BetVictor (betting seven places) to win the final Major and his first since the 2014 US PGA championship. McIlroy has played 18 Majors since his last victory, but let's not forget he has 11 top-ten finishes in the sequence and he must be in any staking plan this week.

It goes without saying that there is enormous pressure on Rory given he was brought up an hour's drive away in Hollywood. Can he cope with the weight of expectation in what is, arguably, the biggest week of his career? He has a great chance and will be roared on by the home crowd, but he is not be my No1 pick.

Patience

Having seen a video of the course Portrush looks sure to suit big-hitting US Open Champ Brooks Koepka. The American has won four of the last nine Majors – should have also won the Masters' earlier in the year – and looks sure to get optimum assistance from the bag given his caddy – is a native of Northern Ireland.

Koepka's best Open finish is sixth but at 10/1 he has a big chance and Americans have won 14 of the last 19 majors although that did not stop Italian Francesco Molinari winning the Claret Jug 12 months ago.

My third selection – Jon Rahm and Tiger Woods just missed the cut – is Tommy Fleetwood at 25/1. It has not quite happened for Fleetwood this season.

But he has the patience and game to cope with anything the elements throw at him this week although showers and light winds are, at the time of writing, forecast rather than anything worse.

The Open Championship is one of the great sporting weeks of the year. It will have to go somewhat to beat the theatre of Sunday's extraordinary Cricket World Cup final, but the stage is set. The Claret Jug has not been played for outside of Britain for 68 years and the noises coming out of Royal Portrush are that this is a special course and will be a fantastic tournament.

Open Championship 2019 tips (seven places)

- Brooks Koepka 1pt each-way at 10/1
- Rory McIlroy 1 pt each-way at 8/1
- Tommy Fleetwood 1 pt each-way at 25/1

THE LATEST FROM SID JAMES'S PARK

STRANGE SHOUT:
Bruce was not on most people's radar for the Newcastle hotseat

Bruce not good enough for Toon

HE IS 'MEDIocre' SAYS FORMER MAGPIES STRIKER

NEWS of Steve Bruce taking over as Newcastle manager is being met with anger in Toon.

The former Sunderland gaffer is the surprise choice to succeed Rafa Benitez at St James's Park.

But there are also rumours going around Newcastle that Arab investors could yet buy the club from Mike Ashley at the last minute.

They would then want a higher profile boss to take the Toon hotseat.

And former Newcastle and Sunderland hitman Michael Chopra is one of the former players who isn't happy about the choice of Bruce. He be-

By PAUL THOMAS

lieves the appointment is a massive step down from fans favourite Benitez.

He said: "If you're in Steve's shoes, a Newcastle fan, and Newcastle comes calling, you're going to take the job."

"On the other side, the fans don't want him."

"It's hard, they've gone from Rafa Benitez, a world-class manager and one of the best in Europe, to — and no disrespect to Steve Bruce — but he's a mediocre Championship manager now, he's not good enough for the Premier League, especially not Newcastle United."

"That's what's been most

disappointing for the fans. There's been talk of Mourinho, Vieira, all these big names, and now they've gone to Bruce."

"I don't even think he was their first choice, Allardyce was, and now they've had to go to Brucey."

In the meantime, the head of Newcastle's academy has been left in charge of pre-season training.

Ben Dawson feels he just needs to keep things ticking over until the new boss takes the helm.

But with time running out until the Premier League kick-off against Arsenal in less than four weeks' time.

Dawson is leading the team in China where they face Wol-

ces in the Premier League Asia Trophy.

He said: "The main aim is to prepare the players for the new manager coming in."

"We are waiting to hear along with everybody else."

"All we can do is focus on the job out here."

"We have good staff and good players at the club. We have worked hard training twice a day. We are preparing the players as we would for any fixture."

Winger Matt Ritchie is trying to keep his pecker up. He said: "To see the manager go was disappointing. He had a good reign at the club."

"But we now look forward to a new manager and a new season."

LAMPS LIT UP BY SQUAD

New Chelsea boss happy with team

FRANK Lampard says he couldn't care less about Chelsea's transfer ban.

The new Blues boss is banned from signing players for the next two windows — but he's adamant that there's enough talent at the club to be real challengers.

Chelsea are on their pre-season tour of Japan where Lampard has been backing the players currently in his squad.

The former Derby gaffer said: "I think I've inherited very good players.

"We can't bring any players in, we know that — this year — but I don't need new players.

"I'm very happy with the squad and determined for us to be successful."

Chelsea are in hot water with FIFA for signing youth players and their appeal has been turned down, so there will be no new arrivals this season.

Lampard believes that could even be a positive because he can focus on the men at the club instead of worrying about transfer ins and outs.

He added: "I know the club very well, I know the players very well.

By JOHN ANTHONY

I have my own way that I want to work with the players.

"I have to say, in the one week that we've been training, I've been very happy with the attitude and the qualities of the players.

"So my job now is to work hard in pre-season with them.

"I like my teams to play with a lot of energy, a lot of speed — with and without the ball, so if we lose the ball I want to win it back as quickly as we can.

"When we have the ball I want to move it quickly and create chances to win games and feel like we're playing football we enjoy."

It looks as though Lampard will be giving youth a chance at Stamford Bridge.

He wants to tie Callum Hudson-Odoi down to a new contract and has been hinting that he will be a first-team regular should he stay in west London.

Pathway

The England international could have an even bigger part to play now that Eden Hazard has left the club for Real Madrid.

He said: "Everybody knows I have a keen eye for the younger players that the academy has produced and we now have a batch of them who are fighting to get in the first team.

"But to be absolutely clear, they now have to make the real difference.

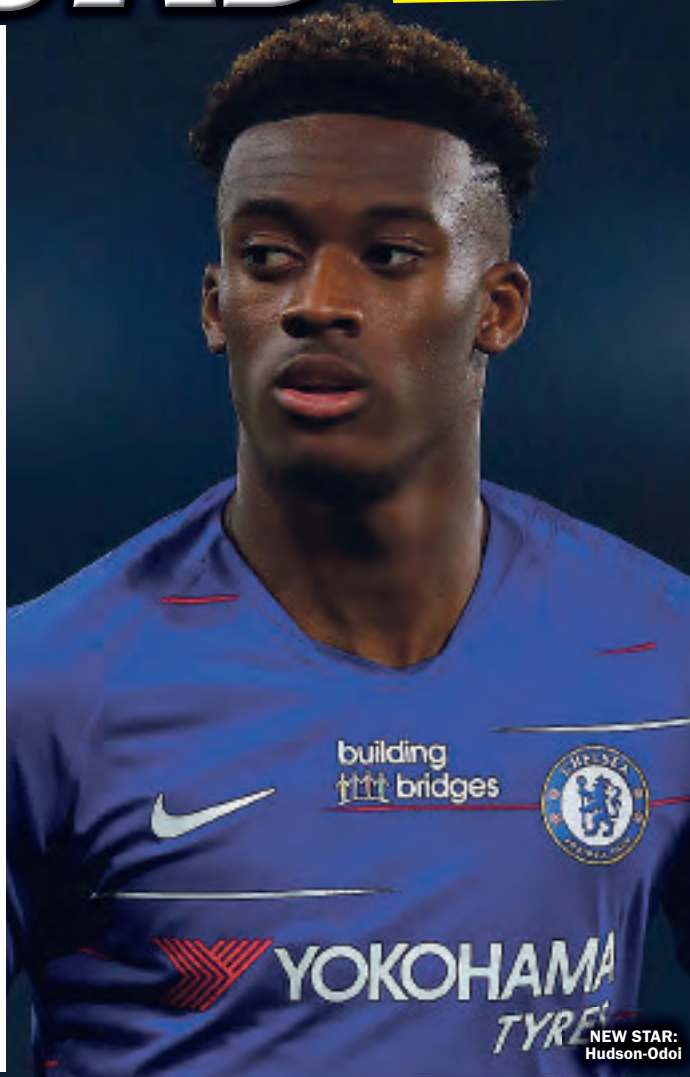

"It's a pathway that's given to them and now they have to be the ones who play well enough to get into the team.

"I don't care about age, I just care about performance and how people train. It's up to those young players to show what they can do."

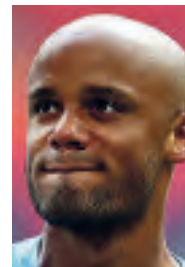

It's a tough pre-season for the Blues as they face a Japanese team before taking on Barcelona next week.

EMOTIONAL: Kompany

Kompany: City need to win Old Big Ears

VINCENT Kompany had one parting message for his Manchester City teammates — win the Champions League!

The Belgian bid an emotional farewell to the Etihad having led the Blues to another Premier League title in a tight race with Liverpool.

That sealed a domestic treble — but there's one big trophy missing from City's roll of honour.

It has now been revealed what Kompany said to an emotional dressing room after the titles had been won.

His farewell speech included: "I just want to say thank you, thank you for 11 years of experiences.

"Bad patches, good patches...everything I have experienced with the club that I love. I'm so grateful.

"It's not going to be my best speech, because it's the most emotional one I have ever given in my life.

"I'm glad that this was my last game. I wouldn't have wanted it any different.

"You guys are the best group of people I could have finished my City career with. I have gained new family members.

Crying

"I think you'll realise by the end, when you get to this point in your career, the people you remember are those who were there in special moments. Everyone here is now part of my family.

"The challenge for you boys is to be even better. It's difficult to say, you have just won the English treble, but you haven't won the Champions League yet. That's your goal now.

"You've got such a group of players, that can achieve anything they want, don't ever let it slip.

"Before you know it you will be doing a speech like me, crying, and then it's the end of it. Trust me it goes that fast.

"So let's have a party, a good celebration. Thank you."

Kompany won 10 major trophies in Manchester before leaving to become player-manager of his boyhood club Anderlecht.

City could yet try to replace him with Harry Maguire who Leicester are willing to sell for £80m — but neighbours United are in the driving seat for the England centre-back.

City are also looking to sign veteran full-back Dani Alves who is a free agent with Spurs also in the race.

ZAB FAB FOR ONE MORE YEAR

PABLO Zabaleta says he will leave England at the end of this coming season.

The West Ham veteran is heading into his third campaign with the Londoners after nine years with Manchester City.

Now the 34-year-old has confirmed that he will be heading back home at the end of the campaign.

He won't yet reveal whether he will retire.

Zabaleta said: "The reason I am here is because I'm still enjoying my football and, of course, the manager was one of

By ANDY MILLOM

the reasons I chose to extend my contract.

"It's always good to work with a manager you know very well from previous years working together, and also because I think I can still give 100 per cent for the team and use my experience.

"I know I am 34 and getting a bit old and coming to the end of my career, but I am honest with myself and I am still a good professional and I will try to give

everything for the team this season.

"I am still enjoying being in and around the team and helping young players and all this.

"This will definitely be my last season in England, for sure. This is something I know, but I don't know in football, and I don't think this is the right time to be thinking about it when we have a long season ahead.

"I will try to enjoy it because I have been in the Premier League for so long and I'll miss it, for sure, the moment I will leave,

but for the moment I am focused on getting 100 per cent fit in this pre-season and I want to play as much as I can."

West Ham are in China for the Premier League Asia Trophy and will take on his former club today.

Zabaleta added: "It's good to play against my former team and to see some of the Man City players I worked with before.

"Of course, I've got such great memories from my time at Manchester City and it's a very good test for us to play against the champions of England."
